Remarks

Every home has a story, and this one is ready for its next chapter. Set on two spacious lots in Port Charlotte, this 3-bedroom, 2-bath home with a pool and large screened lanai has the kind of solid bones you just don't find every day. Step inside and you'll see the potential, well maintained but in near-original condition, it only needs your vision and love to shine again as the showpiece it once was. The layout is practical, the yard is generous, and the pool is ready to be the centerpiece of countless gatherings. Recent updates include a new roof in 2022, giving you a head start on improvements. Out back, there's room for everything: pets to roam, kids to play, cookouts and games with family and friends, even rent-free storage for your RV, boat, or other toys since there's no HOA. A shed adds extra storage, too. Conveniently located near schools, shopping, and parks, this home offers both space and opportunity. Whether you're a first-time buyer looking for a smart investment, or someone who loves the idea of putting your personal stamp on a solid home, this property is one you won't want to miss.
